Campaign Spending: [List of Filers](#)

I grew up in the country on a Kahalu'u taro farm, attended preschool at Kahuku's Rainbow School and was home schooled through high school. I have a degree in Business from the University of Hawaii.

As a teenager, my first jobs were in Waialua at a feed store, in Mokuleia as a polo groom, and later running International surf events at Sunset Beach. As a professional bodyboarder I had the opportunity to represent Hawaii in events around the world.

I have worked in the Governor's Office heading up Constituent Services, learning the inner workings of our state government, and establishing personal relationships that enabled me to help thousands of Hawai'i citizens. I was elected to the North Shore Neighborhood Board, appointed by Governor Lingle to the State Commission on the Status of Women.

I believe in "malama aina," I'm committed to our quality of life and care for our community. I'm running for office because I care enough to make a difference for office and believe I have the experience and ability to effectively represent the voice of the North Shore people.
